

## REMARKS

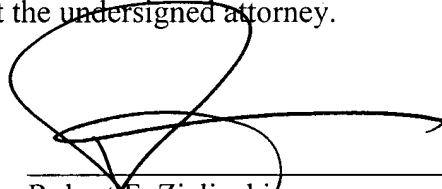

In response to the Office Action/Restriction Requirement, for which a one month extension of time petition and fee submission is filed herewith, original claims 22-23 remain in this application. Claims 1-21 have been withdrawn, without prejudice to filing divisional or continuation applications, including one or more of these claims as filed or in amended form.

The Applicant elects Group 2, without traverse, comprising claims 22-23, which is drawn to a computer-readable medium. In response to the restriction of Group 1 comprising claims 1-21 by the Examiner, Applicant has withdrawn claims 1-21 without prejudice to filing further continuation or divisional application thereon.

Should the Examiner have any questions and in order to expedite prosecution of this application, the Examiner is encouraged to contact the undersigned attorney.
